# THE FIRST OF ITS KIND

## WHO WE ARE

- The first 7's rugby club in South Africa with the focus on providing a first of its kind opportunity for young aspiring rugby players to venture into the world of 7's rugby.
- We aim to create more skillful and versatile young rugby players.
- We provide high school rugby players with the opportunity to join a team, starting at under 14 level all the way to under 19.
- After high school, each player will have the opportunity to join the senior side to continue their rugby playing career as a 7's rugby player.

# OUR TEAMS STRUCTURE AND DEVELOPMENT PATHWAY

Here you are able to see how the junior teams flow into the senior structure after a player is finished at high school level. From there-on, a player has the opportunity to be selected to join the Multiverse Academy and ultimately selected for the Multiverse Team. The Multiverse Team tours locally and abroad, to Canada, where the players have the opportunity to continue their playing career abroad and get work opportunities as well.
